65th Annual
Midwest Conference on British Studies
September 14-15, 2018
Lexington, KY
Hosted by the University of Kentucky
Welcome to Lexington!

The University of Kentucky is pleased to host the 2018 MWCBS in Lexington. Lexington has a rich history that dates back to the American Revolution as the city takes its name from the Battle of Lexington of April 1775 and is the county seat of Fayette county, named in honor of the Marquis de Lafayette. It is best known for being the symbolic heart of the Kentucky Bluegrass Region and can, with some credibility, be called the Horse Capital of the World. The city is also rich with historic sites from the nineteenth and twentieth centuries, but also boasts the cosmopolitan and vibrant Distillery District which offers a host of bars, restaurants, breweries, live music, and, of course, distilleries for the curious traveler to sample. There are plenty of eateries, shops, and entertainment venues located within walking distance of the Embassy Suites by Hilton Lexington Green and others, like downtown and the Distillery District, are just a short taxi of Uber ride away.

Getting around:

The Embassy Suites offers a complimentary shuttle to and from Blue Grass Airport (LEX). Additionally, taxi, Uber, and Lyft rides may be arranged to/from the airport with pickups at baggage claim and drop-offs curbside at the terminal. For those who wish to rent a car there are also a large number of rental car options available in the terminal. For a handy guide of these transport options with phone numbers, please see the Blue Grass Airport (LEX) ground transportation page at https://bluegrassairport.com/ground.html.

The hotel concierge for the complimentary shuttle may be contacted at 1-859-271-4000.
Restaurants:

There are a wide variety of restaurants within a short drive from Embassy Suites by Hilton Lexington Green. Downtown Lexington also offers many fantastic restaurants, while the nearby Distillery District features an eclectic mix of restaurants, bars, distilleries, and live music in a historic setting. This list is not comprehensive, but it does give a list of new, interesting restaurants and old Lexington favorites.
